

Come and Get Your Feet WET!

Please join us for a Project WET workshop!

Project WET is an interdisciplinary water education program featuring classroom-proven, hands-on learning activities that make water topics come alive for students.

"I can imagine many ways to add this to my everyday activities and curriculum. It only enhances what I will be covering."
- 3rd grade teacher, Andover Elementary School

"But I don't teach a 'Water' unit."

You probably teach more water topics than you think. Water plays a key role in all of the following curriculum areas and Project WET has K-12 activities to address them all.

- ◆ Properties of matter
- ◆ Cycles, seasons
- ◆ Weather, climate
- ◆ Ecology
- ◆ Human impact on the environment
- ◆ Requirements for life, health
- ◆ Wise use of resources
- ◆ Landscape patterns and change
- ◆ History of New Hampshire's early settlement, transportation, and industry

All participants receive...

- ◆ Six hours of instruction
- ◆ Project WET Curriculum and Activity Guide - contains over 90 student-tested, teacher-approved activities correlated to the NH Curriculum Frameworks
- ◆ Supplemental resources
- ◆ Subscription to the Project WEB newsletter

"I thought this was strictly a science-oriented workshop and was pleasantly surprised. It was relevant to all levels and subject areas..."

- Math/Reading teacher

When:

March 18, 2006 from 9:00 a.m. - 3:00 p.m.

Where:

Sunset Valley Girl Scouts Camp, 34 Jimtown Rd
Gorham, NH

Cost:

\$25 per person
checks payable to "Treasurer, State of NH"

Note:

Please come prepared for possible outdoor sessions. Participants should bring a lunch. In case of inclement weather, please call 466-3801 for a recorded message.

Questions?

Contact Jessica Brock at 271-4071 or Patti Dugan Henrikson at 466-3801.

Yes! I would like to register for the March 18th WET workshop in Gorham!

Pre-registration is required. Participants will be accepted on a first come first serve basis until the room capacity is reached.

Please return with \$25 fee by March 13, 2006 to:

Project WET, Jessica Brock, P.O. Box 95, Concord, NH 03302-0095
